

# STEPHEN COPLEY

BUSINESS DEVELOPMENT & MARKETING DIRECTOR  
THE FIRE SERVICE COLLEGE

Stephen joined the College in April 2011 with a remit to lead on all College business development and marketing activities.

Having held a commission in the British Army, Stephen has over twenty years of private and public sector experience.

Previous appointments include Group Head of Private Business at the UK Meteorological Office, Group Export Director for Dexion, part of the Constructor Group; and Sales & Marketing Director for Opax, a Bowater subsidiary.
